

How To Access the Online Classroom

Step 1: Go to <https://www.wsetglobal.com/> then select *Login* in the top right-hand corner of the page.

Step 2: Enter your registered email address and password for the site when prompted.

A screenshot of the WSET 'Login' page. The page title is 'Login'. Below the title, there is a link for 'Create an account' and a notice about 'Changes to login method for online classroom students'. The page provides instructions for logging in with a username or email address and a link to a 'login guide'. There is also a 'forgot my password' link. The form contains two input fields: 'Email address *' and 'Password *'. Below the password field is a 'Forgot my password' link and a blue 'LOGIN' button.

Please note you may need to click on *Global Campus* in the top right-hand corner after clicking *Login*.

Step 3: Select the *Online Classroom for APP's* tile.

Please note you may also have an *Online Classroom for students for students* tile which will also give you access.

Step 4: Then click on the text that says: *Please click here to login automatically.*
